AN INDEX  
of  
THE BULLETIN  
of the

U. S. Army Medical Department

This is a combined subject and author index for the period from January to June 1945. Following an author's name the symbols in italics indicate the following sections in *The Bulletin*: *AC*—Apparatus and Clinical Notes; *C*—Correspondence; *N*—News and Comment; *O*—Original Articles; *S*—Special Article.

The numbers of *The Bulletin* indexed herein are as follows:

VOL. III

No. 84, January 1945

No. 85, February 1945

No. 86, March 1945

No. 87, April 1945

No. 88, May 1945

No. 89, June 1945

WAR DEPARTMENT  
OFFICE OF THE SURGEON GENERAL  
WASHINGTON 25, D. C.

ABRAMSON, Arthur S., *O* 89:101  
 Accident prevention program, 89:45.  
 Achin, Joffre V., *N* 85:32.  
 Adams, Daniel M., *O* 84:106.  
 Adams, Troglor F., *O* 87:77.  
 Agglutination reactions, centrifuge technique in, 89:48.  
 Air blast injury, 87:110.  
 Airborne medical service commended, 89:63.  
 Albritton, A. S., *N* 89:47.  
 Ambulance gliders, 89:44; New improved ambulance, 89:50.  
 Amebiasis in the Army overseas, 86:10.  
 American Board of Internal Medicine, 88:28.  
 Amputation. Tourniquet problems in war injuries, 87:77.  
 Anderson, Walter L., *N* 89:11.  
 Anesthesia. Convulsions during inhalation, 84:81; Important alterations in anesthesia machines, 89:3; Pentothal, 85:7; Simple nitrous-oxide-pentothal anesthesia, 87:122.  
 Aneurysm, arteriovenous, 84:104.  
 Angulation, prevention of, in lower third humeral fractures, 84:100.  
 Anoxia, acute high altitude, 89:57.  
 Aphasia, management of, 88:52.  
 Apparatus. Arm splint from ammunition container, 84:7; Bandage clip, 86:42; Canoscope projector, 86:118; Device for cooling oxygen administered by face mask, 88:29; Device for making plaster of paris reinforcements, 89:118; Device for rotatory movements of the forearm, 87:25; Device to aid venereal prophylaxis, 86:33; Drop foot brace, 86:28; Field distilling apparatus, 86:11; For transporting wet x-ray films, 86:45; Improved clogs, 86:31; Improved slit lamp, 84:28; Intravenous drip tube, 85:33; Lyster bag coverings, 84:20; Mechanical retractor for hemilaminectomy, 89:7; New larvicide and residual DDT sprayer, 88:33; Portable disinfectant, 88:36; Port-

able exercise cart, 86:35; Portable field shower unit, 88:37; Shoulder ladder, 86:29; Simple method of administering fluids orally, 85:21; Stool for leg whirlpool baths, 87:121; Suction, 84:32; Table and board for use with wheel chair, 88:17; X-ray record cart with viewing box, 88:48.  
 Applebaum, Irving L., *N* 88:19.  
 Armor, body, 86:27.  
 Arnold, Milton, *O* 87:85.  
 Arsenic poisoning, acute, 88:13.  
 Arteries. Inadvertent injection of sodium pentothal into an artery, 86:32. *See also* Aneurysm.  
 Arthritis, meningococcal, 86:34.  
 "Artifact spirochetes" in infectious hepatitis, 89:112.  
 Artificial limbs. Limb fitters wanted, 86:11; Standardization of, 88:32.  
 Assignment on return from overseas, 86:39.  
 Asthenia, test for diagnosis of neuro-circulatory, 89:36.  
 Asthma, bronchial, due to sulfathiazole, 84:117; Perennial bronchial asthma, 87:100.  
 Atabrine, toxic psychoses following, 86:63; Concentration of atabrine in plasma in treatment of *ritax* malaria, 87:34.  
 Athlete's foot. Improvised clogs, 86:31. *See also* Skin diseases in the tropics, 87:70.  
 Austrian, Robert, *O* 86:84.  
 Aviation. Notes from a flight surgeon, 88:26; Pneumatic pants for fighter pilots, 84:17; Acute high altitude anoxia, 89:57.  
 Avitaminosis, spinal cord changes in, 88:118.  
 BAL eye ointment, 86:30; Reactions caused by BAL in oil, 88:14.  
 Ball, Albert L., *S* 85:71.  
 Bandage clip, non-slip roller, 86:42.  
 Badge, medical, 88:20.  
 Baranowski, Adolph, *O* 87:85.  
 Barkeley, Camp, closed, 88:9.

Barner, John L., *N* 86:46.  
 Barrack bags fracture, 89:101.  
 Bartels, B. Brandt, *N* 86:33.  
 Bass, H. E., *O* 84:102.  
 Battalion surgeon, 89:2.  
 Baumrucker, George O., *N* 86:42.  
 Beckman, W. W., *N* 86:34.  
 Beech, Keyes, *O* 88:67.  
 Bell, E. J., *N* 88:11.  
 Benzyl benzoate for treatment of scabies, 89:19.  
 Berkowitz, Alfred E., *N* 84:10.  
 Berner, Lewis, *N* 86:26.  
 Bismuth salts, scarcity of, 89:7.  
 Blast injury, air, 87:110.  
 Blausten, Samuel, *AC* 84:119.  
 Blind, committee to aid program for the, 89:48.  
 Blood, appeal for donations of whole, 85:5; Fluid intake after hemolytic transfusion reaction, 85:29; Multiple typing technique, 85:22; Shipment of whole blood to Pacific theaters of operations, 87:45; Supply of preserved blood to European theater of operations, 84:66; Transfusion in the reparative management of battle wounds, 85:4; Whole blood—new refrigeration system, 89:3.  
 Book bindings, mold, 88:28.  
 Boroff, Daniel A., *O* 88:113.  
 Brain, penetrating war injuries of, 87:61.  
 Brubaker, Robert E., *O* 87:110.  
 Bryant, T. L., *S* 89:66.  
 Buehler, Milton H., *N* 87:13.  
 Bunnell, Sterling, *N* 86:4; *O* 88:78.  
 Burford, Thomas H., *S* 89:70.  
 Burners, generator screen for lantern and gasoline stove, 84:34.  
 CALLENDER, George R., *O* 85:108.  
 Campbell, James L., Jr., *O* 89:88.  
 Campbell, Thomas A., *O* 89:101.  
 Canoscope (projector), 86:118.  
 Carbon tetrachloride poisoning, 86:40; 87:31.  
 Cardiovascular defects, re-examination of men rejected for, 86:47.

Cellulitis and osteomyelitis, 89:17.  
 Cholera vaccine, 89:9.  
 Carlisle Barracks. Dedication of Wakeman Field, 84:30; Largest class at, 84:31.  
 Casualties. Condition of returned casualties, 87:9; From overseas, 87:40; Increase in returning, 86:5; Necessity of making decisions, 87:28.  
 Cateno, Carlo F., *N* 87:34.  
 Centrifuge technique in agglutination reactions, 89:48.  
 Cerebrospinal fluid, eosinophilia in, 86:121.  
 Cheek retractors, 87:37.  
 Chemotherapy in posttraumatic peritonitis, 87:11.  
 Chest lesions, demonstration of hidden apical, 84:102.  
 China, water purification in, 85:37.  
 Chlorination of water to destroy *Schistosoma japonicum* cercariae, 89:13.  
 Christensen, Fern E., *N* 88:29.  
 Churchill, Edward D., *S* 84:58.  
 Civil affairs, Medical Department officers in, 85:42.  
 Clark, James W., *O* 88:83.  
 Clark, Thomas W., *O* 87:70.  
 Cleft palate prosthesis, 84:90.  
 Clogs, improvised, 86:31.  
 Coccidiosis, a case of, 89:47.  
 Collecting company in combat on Pacific atolls, 84:106.  
 Coller, F. A., *N* 84:89.  
 Colostomies, 86:115.  
 Commendation. British Surgeon General praises U. S. airborne medical service, 89:63; Tributes to Army nurses and the medical department, 87:52.  
 Compton, Arthur H., *N* 89:100.  
 Concerts in general hospitals, 87:21.  
 Conferences. At 300th General Hospital, 88:35; Of consultation service personnel consultants, 89:38; On preventive medicine, 88:34; Service command surgeons, 85:54.  
 Conroy, W. Allen, *AC* 87:122.

RIV  
 4576  
 3  
 3

Consultation services, 88:20.  
 Convulsions during inhalation anesthesia, 84:81.  
 Coogan, George J., *S* 85:64.  
 Cordts, Harlan, *N* 85:32.  
 Corlett, Donald D., *N* 88:26.  
 Coyle, Joseph T., *O* 86:57.  
 Crisp, Joseph E., *N* 84:32.  
 Crook, C. E., *N* 84:89.  
 Cross-connection hazards in military hospitals, 89:90; Cross connections and back-siphonage in wartime, 89:23.  
 Culmer, Ausmon E., Jr., *O* 88:86.  
 Cutler, Condict W., Jr., *O* 85:92.  
 Cutler, Joseph G., *AC* 86:121.  
 Cystotomy, suprapubic, in spinal cord injuries, 87:17.

DAKAR, plague in, 87:13.  
 Daniels, Bernard T., *N* 84:32.  
 DDT. Composition of insecticides containing, 86:13; Control of sandflies with, 88:97; Dissemination of DDT by aircraft, 85:38; Film bulletin on DDT, 88:34; For the control of roaches, 89:16; In fly control, 86:15; Insect control with DDT, 88:33; Insect control in amphibious operations, 88:115; Joint policy on DDT for mosquito control in United States, 89:8.  
 Deafness. Program for deafened patients, 88:51.  
 Dengue on Saipan, the control of, 84:1.  
 Denit, Guy B., *C* 86:53.  
 Dentistry. Broken facing repair technique, 87:120; Cellulitis and osteomyelitis, 89:17; Cleft palate prosthesis, 84:90; Coil spring multiple denture flask press, 89:121; Dental film strips, 88:56; Dental improvisation, 89:28; Dental needs of men from overseas, 87:17; Dental personnel in Italy and North Africa, 89:34; Dental personnel in Southwest Pacific area, 89:15; Dental prisoners of war, 88:60; Dental study of U. S. soldiers in

tropics, 85:113; Dental treatment at Veterans' facilities, 88:16; Dental work on a beachhead, 89:22; Dentistry in the Japanese armed forces, 88:102; Dentures constructed, 89:59; Fatal intracranial complications of tooth extractions, 88:57; General officers of the Dental Corps, 87:22; Getz acrylic denture base liner, 88:16; New items of dental equipment, 88:55; New movie—dental health, 89:28; Penicillin in the treatment of Vincent's stomatitis, 85:15; Physical fitness dental health program, 85:47; Plans of the Council on Dental Health, 84:22; Postwar education of dental officers, 86:17; Repair of fixed bridges and acrylic dentures in the field, 87:85; The problem of repair of dental engine handpieces, 89:25; Use of the stress-breaker in fixed bridgework, 86:91.

Dermatophytosis. Improvised clogs, 86:31; Skin diseases in the tropics, 87:70.  
 Deyoe, Daniel H., *N* 85:22.  
 Diagnosis. Serologic diagnosis of rickettsial disease, 88:10; Unnecessary repetition of diagnostic procedures, 88:3.  
 Diarrhea problem in a New Guinea base, 86:70.  
 Dias, Joseph F., *N* 84:28.  
 Dieter, E. J., *N* 88:27.  
 Dietitians needed, 88:49.  
 Diphtheria, cutaneous, the recognition and treatment of, 86:20.  
 Discharge. Certain wounded enlisted men may be discharged, 88:39.  
 Disinfection of vegetables and fruits, 85:30.  
 Disinfector, portable, 88:36.  
 Disposition channels, abuse of medical, 85:34.  
 Distilling apparatus, field, 86:11.  
 Distributing center for parasitological specimens, 89:18.  
 Doctor-patient relation: The doctor in "The Scarlet Letter," 89:42.

Dressings. Elastic (Ace) bandages, 88:37; Simple dressing for granulating wounds, 88:46.  
Drip tube, intravenous, 85:33.  
Drop foot brace, 86:28.

EAGON, Dorothy M., *AC* 87:121.

Ebert, D., *N* 87:4.

Educational material. Manual of diagnostic psychological testing, 89:87; New pamphlets for soldiers, 85:54. *See also* Films.

Educational opportunities for Army doctors, 89:52; Postgraduate wishes of medical officers, 89:52.

Ehrlich, Joshua, *N* 87:25.

Eigenfeld, David, *AC* 88:122.

Elkin, Daniel C., *O* 84:104.

Ellerbrook, Lester D., *S* 85:71,  
*N* 87:34.

Elliott, John, *O* 84:66.

Emerson, Charles P., *N* 87:4.

Encephalitis vaccine, Japanese B, 86:32.

Eosinophilia in cerebrospinal fluid, 86:121.

Epstein, Frank, *AC* 87:120.

Etzkorn, John G., *AC* 89:121.

Evacuation of casualties from overseas, 87:40; Of patients at a United States port, 85:75; Medical evacuation: Abuse of medical disposition channels, 85:34; Patients evacuated to zone of interior, 88:5; Physical medicine in an evacuation hospital, 84:85; Plan for setting up a 750-bed evacuation hospital, 85:61; Transportation of patients across water, 89:119; Unit training of evacuation hospitals, 88:69.

Eyes. A new plastic orbital implant, 89:88; An improvised slit lamp, 84:28; Army develops superior artificial eyes, 86:12; Invasion eye injuries, 88:83; Liquid vesicant contamination of the eyes, 86:30; Ocular changes in scrub typhus, 87:37; Retinal detachment apparatus, 84:33.

FAILMEZGER, Theodore R., *O* 86:70.

Fairchild, James M., *N* 85:15.

Fats and bones salvage, 89:75.

Femur, fractures of the, 88:86.

Filariasis, 85:16.

Films. Circulating x-ray film library, 87:26; Dental film strips, 88:56; Introduction to combat fatigue, 85:12; Medical Department training, 84:24; New film—Diary of a Sergeant, 89:35; New movie—dental health, 89:28; New training films and film bulletin available, 88:44.

Finlayson, Alister I., *O* 87:61.

Fisher, Robert A., *O* 88:97.

Fitz-Hugh, Thomas, Jr., *O* 86:63.

Fitzwater, W. E., *N* 89:47.

Fleck, Henry, *N* 86:29.

Fluid intake after hemolytic transfusion reaction, 85:29.

Fluids, simple method of administering orally, 85:21.

Fluoroscopy. Stop film device for Army radiography, 85:119. *See also* X-ray.

Fly control, study of paradichlorobenzene in, 84:12.

Food. Field test of rations, 85:17; Hot cooked hospital food, 85:27; Possibility of food poisoning by *Cl. perfringens* (*Cl. welchii*), 89:51; Salmonella food poisoning, 88:121; Vegetables and fruits, 85:30, 85:49.

Foot. Care of soldiers' feet, 84:110; Clogs, improvised, 86:31; Drop foot brace, 86:28; Prevention of toe contractures, 85:25; Procedure for shoe fitting, 84:18.

Foot-and-mouth disease, Waldmann vaccine for, in liberated Italy, 1944, 89:94.

Forrestal, James, *N* 87:23.

Fractures. A portable light-weight fracture frame, 85:32; Fractures in battle casualties, 86:57; Fractures of the femur, 88:86; March fracture of the first rib (barrack bag fractures), 89:101; Prevention

of angulation in lower third humeral fractures, 84:100; Prevention of toe contractures, 85:25. *See also* Condition of returned casualties, 87:9.

Friedman, Meyer, *N* 89:36.

Friedman, Nathan B., *N* 85:3.

FS smoke, pulmonary damage caused by, 84:6.

Fumigation and bath company, 87:12.

Fungous diseases. Treatment of skin diseases in the tropics, 87:70.

Fumigation chambers, new methyl bromide, 89:10.

Fungus. New fungicidal ointment, 89:15.

GALSWORTHY, John, *N* 86:44.

Garbage disposal at a Pacific Ocean base, 88:24.

Gaskill, Herbert S., *O* 86:63.

Gas masks for patients with head wounds, 84:26.

Gastrointestinal. Clearing company for gastrointestinal disease, 88:90; Outpatient service, 85:99.

Gastroscope, experiences with the, 85:84.

General Orders (W.D.) No. 29, dated 13 Apr. 1945—opp. p. 1, No. 88 (May).

Gill, James P., *N* 84:32.

Gillespie, F. S., *N* 85:23.

Gittell, George, *N* 86:41.

Glass, Walter W., Jr., *S* 85:71.

Glassman, Jacob A., *N* 86:31.

Gliders, ambulance, 89:44.

Gonorrhea, acute, treatment of with penicillin, 86:95.

Gordon, Harry H., *S* 85:71; *N* 87:34; *N* 87:50.

Gowen, Guy H., *S* 84:41.

Green, Robert A., *S* 84:51.

Greenberg, Morris W., *AC* 89:119.

Gronemyer, Robert W., *O* 88:113.

Grossman, Marvin M., *O* 86:91.

Grow, Malcolm C., *N* 86:27.

HABER, Louis, *N* 84:27.

Halsted, James A., *O* 88:90.

Hand. Early management of wounds of the hand, 85:92; Loss of both hands—film, *Diary of a Sergeant*, 89:35; Observations on hand injuries, 86:4; Special hospitals for hand surgery, 88:2; Suggestions on immobilization of the hand, 86:105; Suggestions to improve the early treatment of hand injuries, 88:78; Support of fingers and thumb in radial nerve paralysis, 88:38; Surgery of the hand, 85:21.

Hanser, Samuel A., *N* 84:2.

Hardgrove, Maurice, *N* 88:19.

Harmon General Hospital—treatment of tropical diseases, 89:19.

Harness, Forest, *C* 87:52.

Harrill, Charlie H., *O* 88:102.

Harris, C. W., *N* 86:43.

Hart, Vernon L., *N* 85:25; *N* 88:39.

Harvey, Robert K., *AC* 89:118.

Hawley, Paul R., *N* 85:5; *C* 87:52.

Hayden, Robert S., *AC* 87:118.

Haymaker, Webb, *N* 88:57.

Head wounds, gas masks for patients with, 84:26.

Health of prisoners of war, 88:61.

Heart disease, chronic, scrub typhus not a cause of, 84:21.

Heimoff, Leonard L., *O* 87:93.

Hemilaminectomy, mechanical retractor for, 89:7.

Hemopneumothorax, spontaneous, 84:94.

Hemorrhage from abdominal-wall wounds, 86:9.

Hepatitis. "Artifact spirochetes" in infectious hepatitis, 89:112; Gamma globulin and the prevention of infectious hepatitis, 86:1; Nutrition in, 84:5; The epidemiology of epidemic hepatitis, 84:41.

Hertig, Marshall, *O* 88:97.

Hesselbrock, Wm. D., *C* 86:54; *N* 87:50.

Hetherington, Duncan C., *N* 88:28.

Hirsch, Joseph (Navy painting, "On the Double"), 84:4.
